

ORGANIZATION CHART TEMPLATE

The purpose of this organization chart is to identify the entities that will carry out the vision of the plan. How would your group describe this effort? How will you define the decision-making body of residents? How will they be supported and engage with local resources?

Implementation Partners

These organizations do not exclusively focus on the neighborhood, but do have influence or interests within or adjacent to the reinvestment area. They are collaborated with, consulted, and advised as it relates to your neighborhood plan and implementing the initiatives. but do have influence or interests within or adjacent to the reinvestment area. They are collaborated with, consulted, and advised as it relates to the your plan and implementing its initiatives.

Consider what partners there might be in your process:

- Local government
- Funders
- Developers
- Utilities / public infrastructure
- Social services

COMMUNITY + NEIGHBORHOOD PLAN

Neighborhood Decision-making Group

Describe what resident leadership will be responsible for. What authorities do they have? Keep in mind this will mostly be volunteers. Consider other neighborhood stakeholders as well such as neighborhood or tenant associations, place-based anchor organizations, or CDCs.

Administrative Support

This is paid staff charged with implementing the priorities of decision-makers and handling day-to-day activities of plan implementation. The main work areas include:

- Administration
 - monitoring and reporting implemntation progress
- Engagement
 - resident recruitment and training
 - outreach
